Attendees: All but Mr. George Austin was present due to a prior obligation

The meeting was called to order at 5:00 PM by Walter Hughes

Minutes from the meeting on 1/5/2020 were approved.

First order of business was choosing a logo for the commission. The commission approved the following logo:

The next point of discussion was deciding on the application process. There was discussion of allowing presentations to be submitted and then invite them to present or inviting organizations to present as soon as they presented a project. The latter was chosen in order to prevent a backlog of presentations.

The decision was made to limit presentations at 20 minutes with 10 minutes following for questions from the commission. The commission also approved that there would be a limit of 3 presentations per meeting as a good point for efficiency and consideration.

There was a period set aside in the agenda that was open to the public to voice any questions or concerns afterwards. Mr. Wham and Mr. Snipes had questions regarding specificity in the proposal application which Mr. Sandy Cruickshanks was able to answer. There was a question of when the fund money would be dispersed if approved which is May 20th, 2021.

Following the public comment time, the meeting was adjourned at 5:26PM with the next meeting to be determined.

The next meeting is scheduled for 5:00 PM on February 4th, 2020 at the Laurens County Chamber of Commerce.
